Ocean Views Release

The long-awaited final release at The Cape – Ocean Views Release – features the last 42 lots available at The Cape. This release features breathtaking homesites overlooking new parks, walking paths, wetlands and waterways. Many elevated homesites have uninterrupted ocean views across Bass Strait to Wilsons Promontory to the east, and Cape Woolamai to the west. The Ocean Views release features a diverse range of home sites, all of which have access to The Cape's vast amounts of open space, walking and cycling paths to surf and swimming beaches, beautiful community infrastructure including community farm, fitness stations, wetlands, children's playground and other amenities.
