

House & Land Package

Starting from \$899k! 3 bedroom plus rumpus,
2 bath, 8.7 star NatHERS rating

Introducing Acacia – a beautiful coastal home expertly designed for sustainable living, combining comfort, affordability, and energy efficiency.

Designed with passive solar principles in mind, the home features large north-facing windows to capture sunlight during the winter months, providing natural warmth and fostering a connection to the outdoors. In the summer, the north-facing eaves shade the windows, keeping the home effortlessly cool and minimising the need for air conditioning.

With an impressive 8.7-star NatHERS energy efficiency rating, Acacia outperforms most Australian homes, ensuring very low energy bills while significantly reducing your carbon footprint.

Beyond its energy-efficient features, this stunning home boasts a stylish, modern aesthetic, crafted by one of Victoria's premier sustainable designers – the award-winning Adapt Design Group. The use of low-maintenance materials and clean lines creates a warm and inviting atmosphere. The open-plan living area is perfect for entertaining guests, while the spacious bedrooms and additional living space provide a peaceful retreat at the end of the day.
